6. Board to Consider Approving ACWA JPIA Health Benefit Premiums for 2027:

In July, the ACWA JPIA Executive Committee approved a 12% increase in medical insurance premiums, effective January 1, 2027. The District offers employees a choice between the Anthem Blue Cross Classic PPO and the Consumer Driven Health Plan (CDHP) with a Health Savings Account (HSA).

To maintain HSA compatibility and comply with IRS requirements for 2027, the CDHP deductibles will increase from \$1,700/\$3,400 to \$1,750/\$3,500 for single and family coverage, respectively.

Dental and vision ancillary benefit rates will remain unchanged for 2027.

Recommended Action:

Approve the ACWA JPIA medical and ancillary benefit rates and recommended HSA contributions for 2027. (See Handout)

7. Board to Receive the Monthly Budget Snapshot:

2027 Employee Benefits Program Renewal

August 19, 2026

Dear ACWA JPIA Members,

Healthcare costs continue to be influenced by elevated medical claims, inflationary pressures, and broader trends affecting the healthcare industry. While these factors have increased the cost of providing benefits, the Employee Benefits Program remains financially sound due to the disciplined approach the JPIA has taken in managing the Program over time.

For the 2027 plan year, rates for the self-funded PPO plans are increasing to reflect higher costs and support strategic enhancements to the Program designed to further strengthen the member experience. As in prior years, excess Program funds will be used to offset a portion of the increase, helping to moderate year-to-year rate volatility while preserving the Program's long-term financial stability. The enclosed renewal information reflects JPIA's continued commitment to responsible financial stewardship, long-term sustainability, and the delivery of a competitive employee benefits program for our members.

The Anthem and Kaiser fully insured HMO plans will also experience rate increases for the 2027 plan year.

There will be no changes to the rate or plan design of the Dental, Vision, or Employee Assistance Program offerings.

The Standard Life and Disability Insurance Program will include negotiated enhancements to the supplemental life insurance benefit, with a corresponding increase to employee and spouse supplemental life insurance rates only. Rates for employer-paid basic life/AD&D insurance, short-term disability, and long-term disability coverage will remain unchanged.

Please see the following pages for all our plan year 2027 rate actions and premium charts.

2027 Plan/Benefit Changes:

- **Consumer Driven Health Plans (CDHPs)** – To comply with IRS requirements for HSA compatibility in 2027, Anthem and Kaiser CDHP deductibles will increase from \$1,700/\$3,400 to \$1,750/\$3,500 for single/family.
 - The Out-of-Pocket Maximums on the Anthem CDHP are unchanged.
 - The Out-of-Pocket Maximums on the Kaiser CDHP will be \$3,500 (single coverage), and \$6,200 (family).
- Our fully insured Anthem and Kaiser HMO plans will continue to include **infertility benefits** in compliance with California SB 729. There are no changes to the infertility benefits offered on the Anthem PPO plans through Progyny.

The deadline to request a change to the JPIA benefit plans you offer employees is **September 1, 2026**, for a **January 1, 2027**, effective date. For assistance, please contact Michele Dye, Employee Benefits Specialist, at mdye@acwajpia.com.

Open enrollment will run from **October 5 through November 6, 2026**. For ease of administration, members are encouraged to advertise a shorter Open Enrollment period within the above time frame. The most frequently used Open Enrollment period is two weeks. Please refer to the [Open Enrollment To-Do List](#) for a list of member responsibilities.

Please register to join us for the 2027 Employee Benefits Renewal webinar at 11:30 am on September 9, 2026.

Finally, we are pleased to welcome Nancy Thurlow to the team as our new Business Data Analyst. We are excited to have Nancy join the team and look forward to the expertise and support she will provide for our members.

If you have any questions or concerns, please contact us at (800) 736-2292 or benefits@acwajpia.com. Thank you for your continued partnership.

Best regards,

6. Board to Consider Approving the Local Agency Biennial Notice – The Political Reform Act requires state and local government agencies to adopt and maintain conflict of interest codes applicable to that agency that identify designated positions required to file Statements of Economic Interests and establish the applicable disclosure categories. Pursuant to the biennial review process, local agencies must review their conflict-of-interest codes every even-numbered year and notify the code reviewing body (i.e. the County) whether amendments are necessary.					

The District's current Conflict of Interest Code was adopted by Resolution No. 2013-06-01 on June 4, 2013. The designated positions identified in the District's code include the Board of Trustees, General Manager, Secretary of the Board, Assistant Secretary of the Board, Field Superintendent, District Engineer, and District Counsel.

Staff has reviewed the District's Conflict of Interest Code and determined that no amendments are necessary at this time.

Recommended Action:

Adopt the 2026 Local Agency Biennial Notice and authorize its submission to the Yuba County Board of Supervisors, certifying that no amendments to the District's Conflict of Interest Code are required.

Brent Hastey moved to adopt the 2026 Local Agency Biennial Notice and authorize its submission to the Yuba County Board of Supervisors, certifying that no amendments to the District's Conflict of Interest Code are required. David Read seconded the motion. Motion Carried. **Vote: 4 Ayes (Atwal, Read, B. Hastey, and Danna), 0 Nays, 1 Absent (J. Hastey), and 0 Abstain.**

7. Board to Consider Quitclaiming an Unneeded Easement back to River Oaks Plumas Lake L.P. in Exchange for a New Easement in a New Location to Accommodate the New River Oaks Commercial Center –

The District currently owns an access easement to operate and maintain the Algodon Canal area (also known as Lateral 15 South), but this easement needs to be relocated due to the configuration of buildings comprising the new River Oaks Center in Plumas Lake. The Easement Quitclaim will be giving back an existing access easement that is no longer useable due to the configuration of the new buildings. In exchange for quitclaiming this easement back to River Oaks Plumas Lake L.P. (the owner of the property), River Oaks Plumas Lake L.P. will grant a new replacement easement to the District allowing the District to access, operate and maintain the Algodon Canal. (See Handout)

Recommendation:

Staff recommends authorizing the General Manager to execute the Easement Quitclaim Deed. In addition, staff recommends approval of the new Easement and adoption of Resolution 2026-08-01.

Brent Hastey moved to authorize the General Manager to execute the Easement Quitclaim Deed, to approve the New Easement and to adopt the Resolution 2026-08-01. David Read seconded the motion. Motion Carried. **Vote: 4 Ayes (Atwal, Read, B. Hastey, and Danna), 0 Nays, 1 Absent (J. Hastey), and 0 Abstain.**

8. Board Consideration of Endorsement for a CVFPB Encroachment Permit Application Submitted by PG&E –

In May 2025, Pacific Gas and Electric Company (PG&E) received a Notice to Comply (Case No. 2025-15603) from the Central Valley Flood Protection Board (CVFPB)

regarding three non-compliant encroachment areas located along the Feather River East Levee. These encroachments have also been identified by the U.S. Army Corps of Engineers (USACE) as unacceptable.

The encroachments consist of utility poles located on both the waterside and landside levee slopes, as well as overhead utility lines crossing the levee.

One of these facilities is shown on the USACE As-Built Drawings and is recognized by the U.S. Army Corps of Engineers (USACE); however, it does not have the required authorization from the Central Valley Flood Protection Board (CVFPB). The other two facilities are not authorized by the USACE because they are not shown on the USACE As-Built Drawings. To remain within the State's adopted Plan of Flood Control, these facilities will require both a CVFPB encroachment permit and USACE authorization.

Accordingly, a CVFPB encroachment permit is required for all of the identified facilities to remain within the State's adopted Plan of Flood Control.

Recommended Action:

Staff recommends that the Board endorse PG&E's CVFPB Encroachment Permit Application, subject to the District's standard conditions of approval.

Brent Hastey moved to approve the endorsement of PG&E's CVFPB Encroachment Permit Application, subject to District's standard conditions approval. David Read seconded the motion. Motion Carried. **Vote: 4 Ayes (Atwal, Read, B. Hastey, and Danna), 0 Nays, 1 Absent (J. Hastey), and 0 Abstain.**

Items for Discussion and Possible Actions:

- 9. Board to Receive an Informational Presentation on the RD784 Fiscal Year 2024-2025 Audit and Consider Adoption of the Audit Report –**

In collaboration with Horton, McNulty & Saetern, LLP, Jensen Smith, Certified Public Accountants, Inc. has completed the RD784 audit for Fiscal Year 2024/2025. The auditors have examined the financial statements of the governmental activities and major funds of

the District as of and for the fiscal year ended June 30, 2025, including the related notes to the financial statements, which collectively comprise the District's basic financial statements as presented in the audit report. Jennifer Jensen, CPA, presented the audit report and findings to the Board.

Recommendation:

Receive the presentation and adopt the RD784 Audit Report for Fiscal Year 2024/2025.

10. Board to Consider Approving an Amended Final Budget for FY Ending 2025-2026 –

When the FY 2025/26 Budget was approved at the August 5, 2025 Board meeting, projected assessment revenue was estimated at \$3,894,105 based on the initial assessment forecast available at that time. In May 2026, LWA provided an updated assessment revenue forecast of \$3,944,905, reflecting higher-than-anticipated development activity. The revised forecast includes actual FY 2025/26 assessment revenues collected from July 1, 2025, through April 30, 2026, as well as projected assessment revenues for the remainder of the fiscal year through June 30, 2026. In addition, revenue associated with the YWA Pump Station 10 River Outfall Grant has been removed from the budget due to the postponement of the project. (See Handout – Presentation by Staff)

Recommended Action:

Approval of the Amended Final Budget for F.Y. Ending 2025-2026.

Jared Hastey moved to approve the Amended Final Budget for FYE 202-2026. Joe Danna seconded the motion. Motion Carried. **Vote: 5 Ayes (Atwal, Read, B. Hastey, J. Hastey, and Danna), 0 Nays, 0 Absent, and 0 Abstain.**

11. Board to Receive and Consider Adopting the 2026-2027 FY Budget –

The proposed FY 2026/27 Budget includes line-item expenditures within each major budget category, including direct expenses, insurance, professional services, pump station maintenance and repairs, urban levee maintenance and repairs, drainage lateral maintenance and repairs, and other miscellaneous District support costs. Presentation by Staff.

Recommended Action:

Staff recommends adopting the 2026/2027 F.Y. Budget as Presented.

Brent Hastey moved to adopt the 2026-2027 FY Budget. Jared Hastey seconded the motion. Motion Carried. **Vote: 5 Ayes (Atwal, Read, B. Hastey, J. Hastey, and Danna), 0 Nays, 0 Absent, and 0 Abstain.**
